

2023 Island Work Party

April 22nd Saturday 9:00 AM at the island

We will be working on the trail, cutting, trimming, raking, all the way to the beach. Also, cutting aquatic weeds front and back of dock.

Please dock your boat on the North dock.

Tools to bring to work on trail: clippers, gas weed eaters, steel rakes, etc.

Lunch will be provided by the Squadron for Saturday, please let me know, so I will know how much food to bring.
