Class Designed for Power Boats

**(Contact us for classes on smaller
fishing, ski and wakeboard boats)**

This fun and educational one-day class is held in the Delta with your boat and teaches competent boat handling and safety in an emergency.

- **Class covers anchoring, radio procedures, first aid, life jacket safety, knots, and rules of the road on inland waterways and at sea, environmental responsibilities, signaling, and boat books**
- **Maneuvering and docking**
- **Hands-on personal training with an instructor ON YOUR BOAT**
- **Certificates of Completion presented**

**Please make sure you have current insurance and a current vessel safety check
Life vests must be worn at all times during on the water training**

Please make sure your boat is in good working order and your schedule is clear.
