Island: Roland Bod replaced the countertops with stainless steel ones. Some members earned merit marks by helping him with this project. **NO CUTTING DIRECTLY ON THE COUNTER,** use a cutting board. Weed cutting recently around the dock also took place.

Sacramento Yacht Club was at the island July 17th-20th. They had a good time.

The Sea Scouts ventured out to the island for their annual trip to their "Favorite Place" on the delta! There were 47 scouts and 6 adults. They practiced many skills such as capsizing boat training, row boat training and they also helped clean the weeds out of the south side of the dock.
