

2025 Island Work Party

April 26th Saturday 9:00 AM at the island, will be working on the trail, cutting, trimming, raking, all the way to the beach. Cutting aquatic weeds front and back of dock, power washing patio, deck and tables.

Please dock your boat on the North Dock.

Tools to bring to work on trail, clippers, loppers, gas weed eaters, steel rakes, power bushwhacker, etc.

Lunch will be provided by the Squadron for Saturday, please let me know, so I will know how much food to bring.

WEATHER PERMITTING
