Who We Are

The Antique & Classic Boat Society NorCal/Lake Tahoe Chapter ACBS NorCal/Lake Tahoe is a 501c3 non-profit organization dedicated to the preservation, restoration and education of antique and classic boats. One of 53 Chapters of the Antique & Classic Boat Society, Inc., based in New York State, we have several events each year in multiple locations in Northern California. Our first boating event of the season is a joint boat show with the Southern California Chapter at Bass Lake, followed by a boat show at Clear Lake, several Woodie Whoopies gatherings at Lake Tahoe, Runabouts on the River boat show at the Stockton Sailing Club in the CA Delta, and a cruising weekend in the Delta in the fall. We have a biannual Restoration Workshop and an annual Spring Fling event prior to the boating season, and our Annual Membership Meeting will be held in November after the boating season ends. We love to get together for fun, camaraderie, and the opportunity to share our boating stories with friends, new and old. If you are interested in having a great time and having fun, join us!
